QUESTIONS FAMILIES ASK

Can you make a recliner in my size?

Yes. Every piece is made to order, so we can change the seat height, depth and width to suit you and your room.

Fabric or leatherette?

Fabric stays cooler in Indian summers. Leatherette wipes clean in seconds, which helps with kids and pets.

Manual or motorised?

We make both. Manual works in a power cut. Motorised adds a button or remote, with optional USB charging.

Is there a warranty?

Yes, every recliner comes with a warranty. We share the full terms along with your quote.

Tell us what you want. We'll make it.

Send us a WhatsApp with the code from this catalogue, a photo of your room, or any design you like. We reply with options and a clear price.
